- 1) Know the rules re: winning before coming to the field;
- 2) Insist on Ball Persons to save time, in using players they must wear pennies or different colored shirt.;
- 3) Work out before the game who is in charge of watching kicker, goalkeeper, signals and whistles.

ASSIGNOR

Ted Cote, Pat Donovan & Keith Forker

Arbiter requires reacceptance of game if time and/or place has changed..

INTERPRETER

Clock Management

Rules require time to be stopped on:

Goals, Injuries, Yellow or Red card issuance, Time outs or when the Referee is giving a player a verbal warning.

When re-starting, make sure partner is ready

Communications with Players/Coaches

Cards are most important at this time of year. Suggest that a player get a break if close to being carded.

If a coach is red carded, an assistant coach CAN continue the game.

If Coach is disqualified, the filing of the form triggers an MIAA inquiry

Tournament Rules **KNOW THE RULES!!!**

Screw up could cost you a future tournament game.

Get to field 30 Mins. prior. Check in with Authority./ Do not mingle.

BE PROFESSIONAL!! Uniforms should match, hats and gloves should be discussed.

If PK awarded, time is stopped. Watch for kicker stopping (stutter step).

If ball goes into Goal WAVE OFF! Re Kick

If ball is saved or goes over, or wide of, net no re-kick.

Failure to perform the PK properly is an improper procedure.

TIME-IN Protocol

Remember, for time to re-start, the ball must be in play, not the referee's whistle.
